REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: The cited art does not teach nor suggest a heat sink apparatus composed of a heat sink apparatus substrate for being attached to a heat emitting element and having a bottom portion with a standing wall mounted thereon. A driving device supported by the substrate and an axial fan mounted on the driving device. A plurality of fins provided substantially in parallel to an air flow direction that exists at an end portion of the wall. A cover mounted on the wall with the device protrudes through an opening formed on the cover and a height of an upper surface of the fan and a height of an upper surface of the cover are lower than that of an upper surface of the device relative to the bottom portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory D. Thompson whose telephone number is (571) 272-2045. The examiner can normally be reached on varying schedule.
